PRESIDENT'S REPORT

Who would have thought that a simple chat over a cup of coffee in Leederville could have developed so far so soon. When Janette Connor first sowed the seed of merging Jets (a group of finely tuned but aging athletes) with the breadth of youth and talent from Aranmore Catholic College it was always going to be a 'win win' situation. It was not until we all said yes that the amount of work involved in setting up a new club along with starting a season became apparent - what a difference a good committee can make!

The aims of developing the new club included;

- Developing a professional club structure.
- Ensuring that students leaving the college have a strong connection with a club and thus continue to participate in a team sport.
- An increased level of athlete and family commitment.
- Provide an environment where adults can continue to participate in a team sport.

I believe that Aranmore Jets has achieved all of the above.

As word spread of the new club many players returned to play in their old school colours, parents ventured into lycra and the high profile Division one team, Sharks, came under the Aranmore Jets banner. With 15 teams spread through the Open and U17 competitions the Club is already one of the strongest members of the Association.

Aranmore Jets has been able to achieve success due to a fabulous committee. From designing the logo to ensuring match days run smoothly there has always been someone willing to take on a task

The strong level of support from players and their families towards the Club has been evident throughout the season, scoring, timing, driving and just standing in the rain is always appreciated.

With any club the most challenging area is raising funds to equip and still maintain an affordable activity. The financial load of establishing Aranmore Jets was lightened by a number of generous sponsors. In particular, Red Pepper Catering, whose sponsorship included all the bibs, the banner and shirts for officials the equivalent of many boxes of chocolates and sausage sizzles (and let's not even think about the bikini car wash!)

Not everything went perfectly well during the season I do hope, however, that the processes that were put in place to review and seek feedback will ensure that each season will be better than the previous.

Thankyou to everyone committee, sponsors, players, officials and supporters be proud of what we have achieved together. I look forward to working with you in 2008.

President

SECRETARY'S REPORT

It has been a busy year for us and I would like to thank the other committee members for their support and assistance throughout the season. This year we have managed to not only run a successful inaugural season as Aranmore Jets Netball Club (Inc), but also write a constitution and become incorporated. This takes a great team effort and we have a great team.

My role includes the following:

- Collation of all the details of players, register them with Netball WA, through Perth Netball Association,
- Collate the fairest and best votes for each game every week (197 games)
- Collate games played for each player so that one day we can celebrate those who have played 50, 100 etc games for the club.
- Setting the agendas for committee meetings and general meetings
- Writing minutes for all meetings
- Dealing with any correspondence

Some interesting facts for you from this season:

- We have the following members:
 - 61 open members
 - 75 Junior members
 - 2 non-playing members
 - **138 members in total**
- We fielded the following teams:
 - 7 Open teams
 - 6 Under 17 teams (+ 1 team for 4 games)
 - 2 Year 8 teams
- A total of 197 regular season and 20 finals, including 4 grand final, games were played by Aranmore Jets teams.
- Our win/loss record in Grand finals sits at 4/0!!!!

Congratulations to all players for a great season, I know I had a great time playing and watching the games I managed to see through the season.

Thanks for all the support from players, parents, family and friends for making this season a great success for our new club. Lets hope there are many more to come.

As my children say "Go Aranmore Jets!!!!!!!"

Cheryl Blanton
Secretary

UMPIRING REPORT

When asked to take on this role I was unsure of what was to lie ahead. I'm sure the feeling was the same for many of us in this the inaugural year for Aranmore Jets Netball Club (Inc). Many of the others had been associated with other netball clubs and held positions on committees whereas I had only been associated with netball as a parent and spectator.

As a new club we were all aware that we would learn and develop along the way. My role was made a lot easier by the ladies who put their names forward to assist with umpiring. We were able to match an umpire to each of our teams for the beginning of the season, and continued to do so throughout the remainder of the season. There were a few minor hiccups along the way but nothing that we as a group could not find a solution for. This was also made possible by the ladies who had taken on the role as umpire to be flexible and accommodate any changes that were necessary. I believe throughout the season these same ladies took their roles seriously and performed them to their best.

Their ability was obviously noted by others, as several of them were asked to umpire throughout the final series, along with a small group asked to umpire a grand final. Congratulations to those who did this and represented Aranmore Jets admirably.

I thank all of the umpires, along with those who helped out in times of need, for making my job that much easier to fulfill.

Congratulations to all the teams, coaches, managers, committee and UMPIRES for a great start to Aranmore Jets Netball Club (Inc).
