

Aranmore Jets Netball Club

Aranmore Jets Netball Club is a community based netball club established in 2007. The Club has teams in each age group from Year 7 - 12 and follows on with Open teams for players once they leave school to continue to play. The school age and open teams are open to all players (not just students/past students of Aranmore College) with varied levels of skill and seriousness. Teams are put together based on age, skill level and availability to play and train. We are affiliated with Perth Netball Association ([PNA](#)) located at Matthews Netball Centre, Wembley.
